

## Competitive March Break Camp

As we approach competitive season and also the Gala, we feel that it would greatly benefit the dancers to have more time and classes to practice/polish their routines. We feel that March Break presents a great opportunity to do this. We realize that some families may have plans to go away but for the majority, it seems as though dancers are home. We would like to have each group in for at least 1 full day. The entire day will be spent on dance classes and cleaning all routines - Solos, Duets and Groups.

**The schedule and cost is as follows:**  
Juniors - Tues., March 13th 9am-5pm, COST: \$35/dancer  
Full Week, COST: \$150 +HST

Inters & Seniors - Thurs., March 15th 9am-5pm,  
COST \$35/dancer

Full Week, COST: \$150 + HST

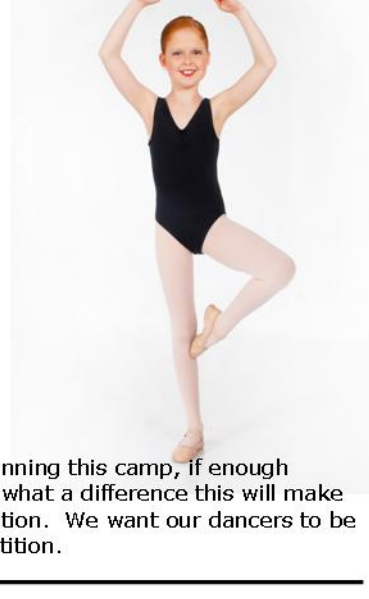

(Please send your child with Lunch and Snacks)

Daily dance classes in: **Jazz, Lyrical,**

**Acrobatic, Ballet, Tap, Hip Hop &**

**Musical Theatre, Conditioning.**

Please let us know ASAP if you are able to attend. We will only be running this camp, if enough dancers are able to participate. Again, it cannot be stressed enough what a difference this will make to the overall presentation of the routines at our Gala and at competition. We want our dancers to be confident with their routines, well-rehearsed and prepared for competition.
